

Viewing Capstone Dashboard:

1.) Open link to Google Drive

<https://drive.google.com/drive/folders/1EA-Y5mAAsT40cXNva6BVxNQ1qhuv3NIX?usp=sharing>

2.) Click 'Shared with me'

3.) Right Click **Capstone_Submission** folder

- Select **Add Shortcut to Drive**
- Select **My Drive**

4.) Click 'My Drive'

- Select **Capstone_Submission**

5.) Right Click **Capstone.ipynb**

- Open with:
 - Google Colaboratory
- If not available, Select **Connect more apps**
 - Search for Colaboratory and install

6.) In the menu bar:

- Select **Runtime**
- Select **Run all**

7.) At the warning, Select **RUN ANYWAY**

8.) A prompt will appear after the first cell. Click the link and follow the instructions.

9.) After pasting the Developer Key into the prompt and pressing Enter, allow the script to continue.

The Dashboard will now be available at the bottom of the screen. The dataset contains entries for 2.7 million pitches. Consequently, processing time can be slow when processing multiple pitchers or multiple years.
