Jeremy Greenwood

Question 1

Who needs to first approve a capstone proposal of a student collecting data from WGU students, alumni, employers of graduates, faculty, or staff? *

- ☐ Student Services
- ☐ Capstone Course Mentors in the relevant College
- ☐ Institutional Review Board (IRB)
- ☒ Office of Institutional Research

Question 2

Which one these capstone projects may need IRB approval for use of human subjects? *

- ☐ An analysis of public data where identities of subjects is unknown.
- ☐ A comprehensive review of Internet sites and academic literature to expose trends and issues.
- ☒ A survey and interviews of employees about the effectiveness of a new technology
- ☐ Statistics about the prevalence of a problem gathered from quality assurance records.

Question 3

Which one of these capstone projects may need IRB approval because it involves research? *

- ☐ The number and type of service calls are measured to compare the usability of two competing IT products for a business.
- ☐ Nurses complete an anonymous survey to assist in a clinic's quality improvement initiative.
- ☐ Instructional effectiveness is measured through pre- and post-test scores in a regular school or adult education program.
- ☒ Findings from the project are to be presented at a national convention and submitted to a referred journal

Question 4

Which one these capstone projects may need IRB approval because a vulnerable population or situation is involved? *

- ☐ If the boss finds out which employees gave their opinions they could be fired or demoted if the results reveal organizational deficiencies.
- ☐ Participants are to be paid a large incentive if the results of an organizational opinion survey are positive.
- ☐ Research involving prisoners, homeless, elderly, decisionally-impaired, pregnant women, hospitalized patients, or undocumented individuals as research subjects.
- ☐ The owner's son wants to interview top leadership about what makes their employees effective in this family-owned business.
- ☒ All of the above

Question 5

Which one these capstone projects may need IRB approval because data are gathered in atypical ways, subjects, or settings? *

- ☐ Data gathered through use of voice, video, or image recordings of human subjects.
- ☐ Data gathered about such topics as sexuality, mental health, interpersonal violence, or illegal activities
- ☐ Data are collected through deception about the real project purpose.
- ☐ Use of surveys, interviews, or participant observations in a school setting.
- ☐ Action research of training effectiveness in business, industry, health care, military, or a community organization.
- ☒ All of the above

Question 6

How long is the IRB review process if the project does not qualify for "exempt" status? *

- ☐ None of the above; the timing depends on dates of the IRB quarterly meetings.
- ☐ 48 hours for an expedited review by an IRB member, and 72 hours for a review by the full IRB.
- ☐ Three weeks for an expedited review by an IRB member, and two to three months for a review by the full IRB.
- ☐ Three business days for an expedited review by an IRB member, and five to ten days for a review by the full IRB.

Incorrect

With proposals involving minimal risk, designated IRB members can conduct expedited reviews, and students and their mentors will be notified of these decisions within approximately three business days. If full IRB review is required, the process will require 5 to 10 business days.

Question 6

How long is the IRB review process if the project does not qualify for "exempt" status? *

- ☐ None of the above; the timing depends on dates of the IRB quarterly meetings.
- ☐ 48 hours for an expedited review by an IRB member, and 72 hours for a review by the full IRB.
- ☐ Three weeks for an expedited review by an IRB member, and two to three months for a review by the full IRB.
- ☒ Three business days for an expedited review by an IRB member, and five to ten days for a review by the full IRB.

Congratulations! Once you click "SUBMIT" below, you will have completed the FAQ/Flowchart Quiz!

YOU WILL BE EMAILED A COPY OF YOUR RESPONSES, VERIFYING COMPLETION OF THIS QUIZ. You must click the "SUBMIT" button to have your responses recorded and emailed to you.
